Senator Baack. We told him right away when we got the call from the county officials that...and he hadn't set a date, so there is no conflict. So Senator Baack is thrilled to death he doesn't have to have one more hearing. So I ask to withdraw 1213. Thank you.

CLERK: 26 ayes, 0 nays, Mr. President, to withdraw LB 1213.

PRESIDENT: LB 1213 is withdrawn. We'll move on to General File. LB 551A.

CLERK: Mr. President, 551A was introduced by Senator Hartnett. (Read title.)

PRESIDENT: Senator Hartnett, please.

SENATOR HARTNETT: Mr. President, members of the body, 551 deals with school retirement, to add a few people to buy-back, for people that taught before they were 21-years old, before they were limited, and also people that taught overseas. When the bill was introduced and the bill was passed the first time, the original bill, it was discovered by the fiscal office that it needed an A bill. The A bill does, it authorizes \$3,000 from the General Fund for the period July 1, 1988 to July 30, 1989, and \$3,000 from the General Fund from the period of 1989 to June 30, 1990. So we are really talking about a small amount of money, but the bill is I think necessary. I want to thank Speaker Barrett for scheduling this bill at this time so the A bill can move along with the other bills. So I'd ask for the advancement of this bill from General File, this A bill, 551A. Thank you.

PRESIDENT: Thank you, Senator Hartnett. Any further discussion? If not, the question is the advancement of 551A to E & R Initial. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of 551A.

PRESIDENT: The bill is advanced. Move on to LB 517.
